Chamber calls special meeting

A special evening meeting of the Elk Point and District Chamber of Commerce has been called for Tuesday, June 10 at 7:30 p.m. in the Empress Banquet Room.

Chamber President Murray Harper called the meeting after two proposals to relocate the tourist booth to new locations along Highway 41 were received by the Chamber, along with a request that the facility stay in its present location. In-depth discussion of the alternatives and a vote to decide if and where the booth will be moved will make up the major portion of the meeting's agenda.

The Chamber hopes for a good turnout of members and other interested individuals at this important meeting. Memberships will be available at the meeting, as only members will be allowed to vote on the move.

This will also be the wind-up meeting for the Chamber before the summer recess. Please attend and help the Chamber to make this vital decision.

NOW, THAT'S PARTICIPATION!! — Participants in the Elk Point Lions Club Journey For Sight raised over \$2,300 for this worthy cause in Saturday's Walk-A-Thon. Left to right are: Lion Jim Baylis, School Challenge winners Denise Kissel and Madeleine Foley, Oil Patch Challenge Runner-Up Lorraine Blazenko, Lioness Bev Baylis, First

Female Finisher Tammy Boratynec, Oil Patch Challenge winner and Oldest Finisher Marshall Kachmar and Lion Ron Smith. Kneeling are First Male Finisher Lee Wannechko and youngest finisher Jaime Spence. See story on Page 2.

Water rationed

Water rationing was put into effect in Elk Point at 8:30 a.m. Monday, following a week of record high temperatures.

Elk Point Town Council held a special meeting early Monday, and gave all three readings to a bylaw which outlined the conditions of the restricted use of water.

Houses with even numbered street addresses will be allowed to use water for lawns and/or gardens on Mondays, Wednesdays, and Fridays,

while houses with odd numbered addresses may water on Tuesdays, Thursdays, and Saturdays. No watering will be permitted on Sundays.

Violation of the bylaw will result in a \$50 fine for a first offense, while further offenses would result in the fine being doubled and redoubled as necessary.

The bylaw will be in effect until further notice.

Bridge opens Sunday

Official opening ceremonies for the new Elk Point Bridge are set for this coming Sunday afternoon, June 8, with a good crowd and good weather anticipated for the memorable event. Site of the opening is the south side of the river, two miles south of Elk Point on Highway 41.

The festivities will begin with entertainment by the Elk Point School Band, Elk Point & District Ukrainian Dancers, Clan McNaughton Pipe Band, Joseph

Hertz and others, with the official opening ceremony by the Minister of Transportation to follow.

The afternoon will wind up with a buffalo burger barbecue, cold drinks, coffee and ice cream provided by the Elk Point Chamber of Commerce and the Elk Point, Historical Society.

The Bridge Opening Committee assures everyone that there is lots of room to park at the site, although if visitors prefer, they

may leave their vehicles at the Elks Hall in Elk Point and join those riding to the site on the free shuttle bus to the site, with trips beginning at 12:00 noon.

The Committee reminds everyone to bring along their lawn chairs!

In the unpleasant eventuality that the weather does not cooperate, the entertainment, opening ceremony, and serving of refreshments will take place in the Elks Hall.

MONDAY THRU FRIDAY

Farmers Day declared holiday

Elk Point residents no longer have to worry about having bad luck on Friday, June 13. Mayor Ed Buck has declared that day, which is also Farmers Day, a civic holiday in Elk Point. Local businesses will join the schools and the Town Office which usually close for Farmers Day, in the holiday, providing an unexpected long weekend for many.

Mayor Buck cited the importance of agriculture to the local economy as a reason for the holiday, and hoped that the farmers of the district will also find time to relax on their special day.

Development matters provided meat for much discussion at the May 26 meeting. Bob Berger of WRD Berger Construction Ltd., along with surveyor Francis Prefontaine, was on hand to discuss concerns regarding the collector road in his proposed subdivision. Berger also requested an amendment for paving specifications in his existing development.

Council later voted to approve the outline plan and subdivision application submitted by Berger at an earlier date.

Routier Homes Ltd. was scheduled to appear at the meeting for a hearing regarding unsightly debris on their property in the Ference Subdivision, but were not present. The Town will give Routier seven days notice before cleaning up the property for them and charging it to their tax roll.

Esso Resources has requested a minimum 12 month delay in development of Lot 5, Block 32, Plan 852 1351, which they have purchased from the Town. Council voted against the extension, but will consult their solicitor before advising Esso.

Council also decided against contributing \$300,000 for storm sewers to be installed on the west side of Highway 41.

A crackdown is planned on unauthorized storage of vehicles and/or materials on municipal property in the industrial subdivision. Owners of the offending items will be advised by letter that these must be removed within seven days, and the property will be posted with "no trespassing" signs.

Two census takers were hired for the June municipal census. Bernie Nelson and Lorna Peterson were chosen from among 8 applicants and will receive 50 cents per name.

Some good news, in losing: A letter received by the Town from MP Don Mazankowski indicates that Canada Post is finalizing plans for expansion of the Elk Point Post Office, with an additional 400 lock boxes to be installed. However, no time frame for the expansion has been specified.

Lions Walk for Sight

Elk Point Lions Club raised over \$2,300 in last Saturday's Walk-A-Thon For Sight, with Oil Patch Challenge winner Marshall Kachmar of AMOCO bringing in an even \$1,000 in pledges.

Loranne Blazenko of Pan Canadian Petroleum came a fairly close second, winning a special Appreciation

Award from the Lions and receiving congratulations from Kachmar, who quipped "but the champion is still a champion!" Resting his tired feet, he added "It's a tough walk when you're as old as I am."

Mr Blazenko said that Pan Canadian will be back for another try at the trophy next year: "Just wait till we have our new office building!"

Kachmar said he, too, will be back next year, and thanked all his sponsors for their generous contributions. "More of us should contribute ... to help those less fortunate than we are," he concluded.

Only eight walkers took part in the event, returning sunsoaked and thirsty to the Lions Den in the Community Services Centre where Lions Ron Smith and Jim Baylis were waiting to cook up hot dogs and hand out cold drinks when they arrived.

The School Challenge winners were F.G. Miller High School teachers Denise Kissel (We have it right this year, Mrs. K!) and Madeleine Foley, who won a plaque for the school and a \$100 cheque for the Students' Union.

The first finishers of the walk were Lee Wannechko, who took only two hours and four minutes to complete the course, and Tammy Boratynec. The youngest finisher was Jaime Spence, while Marshall Kachmar was the oldest finisher.

Also walking in the fundraiser was Bev Baylis of the Lioness Club, who was optimistic about being the only participant not receiving a trophy, and said her suntan and "a cool place to sit down" at the end of the walk was ample reward for her efforts.

Elk Point grade six students visit Edmonton

By Kim Kurek

Grade 6, Elk Point Elementary School

I woke up at 6:00 to a day you'd least think there would be a field trip. It was the 14th of May and it was snowing like crazy. I thought "Oh Boy, there goes our field trip." But me and my mom still got ready. (My mom was a supervisor). When we left our place, the roads were pretty bad already, but since we didn't get a call we still had hope of going.

When we got to town, from the highway we saw that there was no bus waiting! We drove up to the school and I ran to the classroom to see if we were going. And guess what? We were.

We were actually going! I ran out to tell mom and then we both went in. We waited a few minutes and then the bus came. All of us raced for the back and the people who were last had to wait 'til the ride home. We got settled, made sure nobody was missing and then off we went. The ride there was pretty noisy. There were comics flying around, people doing other people's future, love percents, etc., gossip, food, pop and walkmans came out right away and for a day like it was there were even sunglasses. Then the question "Are we there yet?" came an hour before we would be there. Then in another ten minutes later the same question came. Then again, then again, then ...

Then we finally got there. But that was only on the outskirts of Edmonton. We still drove around the city for fifteen minutes. That's when the boys tried looking for cute girls in cars. (Not to mention girls looking for boys).

Finally we arrived at the Science Center. Thank God, my rump hurt already! When we got off the bus we got in our groups and then started walking. Mr. Meger was off ahead of our group so we had to find the door. "Ah, there's the door! No, that's a wall. I bet that's a door. No doesn't open." By the time we found the door we were just about where we started from. We walked in and the question came up there was "What is that?" and of course Stephen came up with something.

Now it was off to explore. We saw moons, suns, planets; pushed different buttons to do different things, got weighed on different planets and looked at more stuff we didn't know was.

After we were called to the Star Theatre. We sat in wonderful seats compared to the bus and the seats were in a circle around another funny looking thing. (After we found out it

was one of the main projectors). The dome above us kept changing colors every so often. Then just while I was enjoying myself, mom went and took a picture. I thought I was going to be blind for life, but it wore off. After a guy came on a mike and said that we would be watching a show about how constellations were formed on the dome! It was really neat. You could swivel in your seat to see all around you and when you looked up, it looked like you were really looking up into the night sky. We learned how the constellations were formed and saw what the stars looked like in the sky a long time ago. When the show finished the guy on the mike came back on and told us how they produced the show and answered questions.

After we finished with questions in the Star Theatre off we went to the Imax Theatre. When we walked in, there were seats in rows slanted downward to a gigantic screen that was unbelievable. We sat down and were told a little about the theatre and then the show came on. The first show only took a little part of the screen and we thought that was going to be it! But then a different show came on the whole screen. That was when some people got sick! On a river in a valley, we went high speed on a boat in the water. In a car we would speed through a crowded city thinking we were going to hit something pretty soon. Then came the most thrilling part. We were in a helicopter flying over and in a canyon. When the helicopter tipped so that we were looking down, it seemed like the seats tipped too! Then it tipped this way and that and it seemed like the seats did too. After the production was over, we all got out, got in our groups and then went to our last stop which was the gift shop. After everyone was out of the gift shop we all headed for the bus.

After again getting settled we headed for West Edmonton Mall. After about 10 minutes we finally arrived at our destination. We were all so excited that we hopped up and were ready to jump off the bus but then we had to wait for Mr. Meger to go get some information. After what seemed like years, he came back and we could go. We walked across the mall and when we came to Water-World everyone's mouth dropped and a lot of Wows and Holys came out. We ran for the changerooms, dressed as fast as we could, and then rushed out to take in all we could.

Fun, here we come! First, I went into the wave pool a bit, came out and got ready to hit the slides! Rhonda

and I got so excited we got caught for running to the stairs. The first slide I went on was the Cannonball Run. It was one that you drop out at the end. Then I went on numerous amount of times on different slides. Twister which went around and around, Howler which had lights in the tunnels, Blue Bullet which was very fast and curvy, Nessie's something or other which is one where you hit a bump then fly off and then do the same thing over again. There was one slide that really caught my eye. It was called the Sky Screamer. I went up to Mom and said I was going to go on it and she said I was crazy, but I still took it. It was a slide that had a bump at the very beginning and then it went straight down then gradually went out. I think mom was more scared for me than I was just to go down it. When I got to the bottom I looked back and couldn't believe what I just went on. I could sure tell you that it made my heart beat faster! I also went on a boat slide that you go down a slide on a little yellow boat and then at the bottom glide across a pool of water.

After about 2½ hours of swimming we were ushered out of the pool to get changed. When I went to take a shower there was soap in these little pump containers and when I went to wash my hands, I accidentally put a handful of soap on my shirt so I got to wash my shirt too. After getting all dressed and dried we went out into the entrance to wait for everyone.

When everyone was out and ready to go we headed toward what I called Food Land! We could pick any type of food we could imagine. I had pizza, fries, chocolate milk, and a milkshake. Boy was I full!

After eating we all headed for the bus, exhausted and full. When we got to the bus we realized we were two people short: Ricky and Troy. But it didn't take too long to find them. The trip home was quieter than the trip to Edmonton but what can you expect from a bunch of exhausted kids. It was already past 11:00 so we were

behind schedule a lot. When we finally arrived home everyone was kind of happy knowing they were going to be in a nice warm bed soon. The bus pulled to a stop, kids began picking up

garbage, collecting all their stuff and then going to their respective rides home. Everyone said 'bye in a sleepy tone but a tone of having a fun day was in their voices too.

A LONG WAY DOWN — Water slides at West Edmonton Mall were a big hit with Elk Point Elementary's Grade 6 class on their field trip.

Your town... and mine

"Do you own this town?" This question was overheard recently, asked during a heated discussion between two district residents.

"No. Do you?" was the answer given.

But maybe that wasn't the correct answer. In essence, all of the residents, businesspersons and residents of the surrounding district DO own a little bit of this town. They are the people whose efforts have resulted in the fine community we have here to enjoy.

By their investment and hard work, the business owners have built the commercial district. By their courtesy and helpfulness, the people who work in those businesses have added to the structure. By their patronage and spending their money in Elk Point, those who deal with the local businesses have helped the local economy to thrive and prosper.

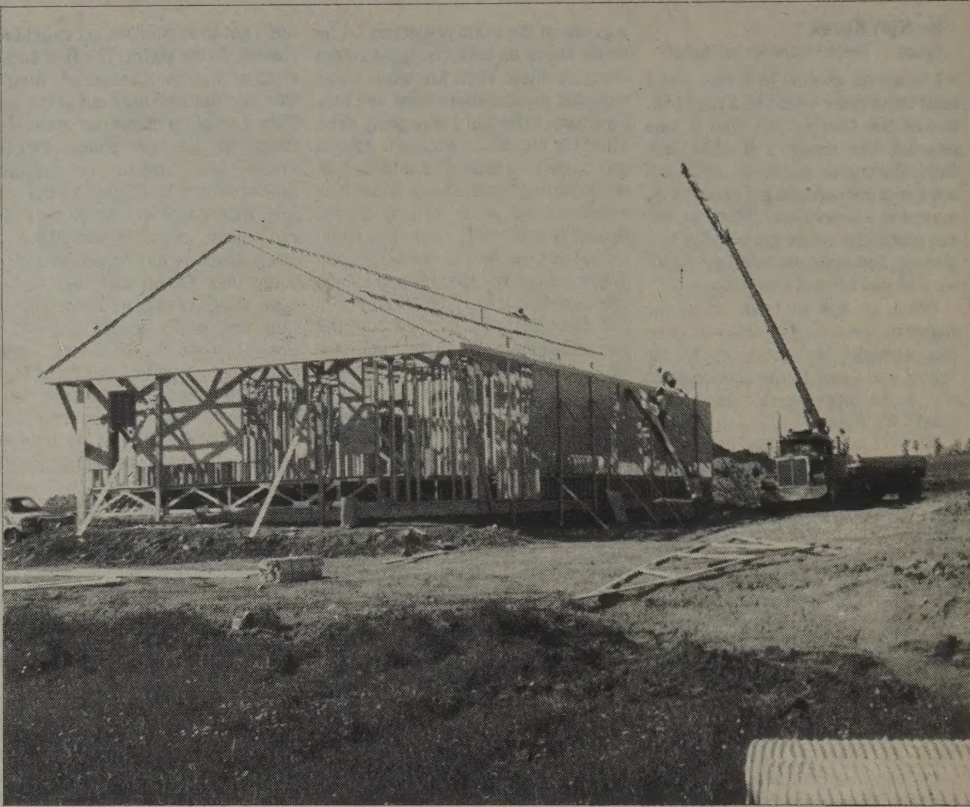

Federal, Provincial and County governments have all done their part in building the community, by providing grants so that we can enjoy fine schools, homes for senior citizens, and a modern hospital. By their tax money, the ratepayers and those who pay provincial and federal income tax have helped the governments to provide these funds. The staff

members at these institutions have devoted their labor to making this community a good place to live.

The residents of both town and surrounding area have played a tremendous part in the building of Elk Point. The homeowners, of course, do own a physical portion of its area, but they along with all the renters and those for whom Elk Point is a place where they do business and find relaxation time activities, have made this town a community which offers much more than a roof over one's head. Elk Point is well known for the 'sweat equity' which helped to build the arena, curling rink, Elks Hall and strong service clubs and sports groups.

Yes, I do own this town, along with the two verbal combatants, and every other person who works, shops, attends school, and lives in and around it. It is my town, it is your town, it is their town. It is ours to care for, to beautify, to build up and to take care of. Along with ownership, comes responsibility -- the responsibility of looking after our property.

Elk Point is the best. Let's all pitch in to make OUR TOWN stay that way.

BAPTISTS RAISE THE ROOF — Elk Point Baptist Church members raised the roof trusses on their large new church building last Saturday. A few

weeks earlier, part of the wall structure was battered by strong winds, but is now nailed firmly in place without much damage done.

To never forget

By Haakon Lunden

A homesteaders life was broken
His dreams all shattered in two,
Still, he lived on at Frog Lake,
Alberta
Near his family who died of the flu.

High in his memory stands their
names
Carried on a stone, but his love
remains,
Lonely and broken as time passed by
In his heart their names stand high.

Nineteen-eighteen was the year
When the flu took a life he held so
dear,
A mother's life, so young to go
Away to a world he did not know.

The Spirit of God called a daughter
too
A star for her shines high up in the
blue,
A son soon answered that spirit's
claim

And shining high is that dear son's
name.

Their family name still shining high
Capped with a stone, in graves they
lie,

Engraved with love, he will never
forget
For their names stand high in his
memory yet.

A father and son still live today
They worked so hard in their pioneer
way,
Time has healed but their hearts are
brave
And they love those names standing
on their grave.

In the Lunden graves 'neath stakes of
stone
Six lie there who were all their own,
Tho' blooming flowers may fade
away
They are cherished with loves of
yesterday.

Their bodies rest and their spirits are
free
Spirits of love for eternity,
In Jesus' name may they meet again
And still standing high will be their
name.

A homesteader's life was broken
His dreams all shattered in two,
His dreams are of Frog Lake, Alberta
Near his family who died of the flu.

Now Ole sleeps with his family
Stilled is that cherished memory
The Savior's voice they shall hear
again
Who sees standing high that precious
name.

Remember your loved ones who in
peace rest
To keep their graves neat, please try
your best
There's a roadside gate so all may
see
The names standing high in memory.

Great going girls

Interest rates

Agriculture Minister John Wise today announced that Farm Credit Corporation interest rates are being reduced for the second time in less than two months.

The interest rate charged for five-year fixed interest term mortgages is now 10 3/4 per cent compared to the previous rate of 11 per cent. Loans under the Shared Risk Mortgage are now at 10 3/4 per cent, down from 11 1/4 per cent. The rate for 10-year fixed terms is 11 per cent, a drop of 1/2 of one per cent. Loans with fixed terms of 15 years or more have dropped from 11 1/2 per cent to 11 per cent.

Under the Corporation's recently announced Commodity-based Loan Program (CBL), the interest rate remains at six per cent for the fully-indexed option, while the rate for the partially-indexed option has been reduced to 8.50 per cent from 8.75. The cap on the CBL, which limits the amount borrowers would have to pay if they decide to opt out of the program or if commodity prices increase sharply, is now 13 per cent compared to the previous cap of 13.5 per cent. This program is available to FCC clients who had loans with the Corporation on or before February 26, 1986.

Farm syndicate loans for the joint purchase of machinery and buildings by a group of three or more farmers are available at an interest rate of 10.75 per cent. They were previously 11 per cent.

Dewberry 4-H Beef Club Achievement Day

By Shirley Osinchuk
Dewberry Correspondent

Saturday, May 31, the Dewberry 4-H Beef Club held their annual Achievement Day in Dewberry. The sun shone brightly on their display of nine well-groomed yearling steers.

Clayton Elliott was the Master of Ceremonies for the afternoon. He introduced Dennis Wobeser of Hi-Gain Custom Feed Lots as the judge for the show.

Mr. Wobeser spent some time carefully explaining to all the members how he would judge their steers, basing his reasons on the market demand for high quality beef cuts. The members themselves judged three of the calves, writing down their placing and reasons.

The five Junior members, Kevin Stone, Jason Fluney, Robbie Butz, Jody Butz and Shannon Illingworth showed their calves. The judge placed Kevin Stone's Hereford calf first and Robbie Butz' buckskin, white face calf second. Russell Garnier was judging the grooming of the calves and Erica Elliott was judging showmanship. Kevin Stone was given first for Showmanship, and Jody Butz, second. Kevin will receive the trophy donated by B.D.H. Herefords.

Jody Butz was awarded first in the Juniors for Grooming, and Jason Fluney, second. Jody will receive the Clendonald Seed Cleaning Plant Trophy.

Kelly Maddex, Troy Illingworth, Billy Fleming, and Glen Stone are the Senior members. They showed their calves and Glen Stone's was placed first, and Billy Fleming's, second. The Victron Farms Trophy for Senior Showmanship will be awarded to Troy Illingworth. Second place went to Glen Stone. For Grooming, Glen Stone was placed first, and Billy Fleming second. Glen will receive the trophy donated by Don Braithwaite.

In the Grand Championship class, the two top steers from the Junior and Senior classes were judged. Mr. Wobeser placed the steer of Glen Stone first, as Grand Champion of the Show, and Kevin Stone's second, as Reserve Grand Champion. The Grand Champion Trophy is donated by Dennills Garage, and the Reserve Grand Champion Trophy is donated by Swansons Meat Market. The banners for the Champions were made by Kathy Finlay.

The judging cards were marked and the best member judges of the day were Billy Fleming, first, and Kelly Maddex, second, in the Seniors, and Kevin Stone, first and Robbie Butz, second, in the Juniors. Billy will receive the trophy donated by the Dewberry Co-op and Kevin will receive the Sano Ranch Trophy.

Potluck supper and Awards Night will be in the Dewberry Hall at 6:30 p.m. on Friday, June 6. Everyone is welcome to attend. The trophies will be awarded at that time. Other trophies besides those mentioned will be the D4 Polled Hereford Trophy for Best HomeGrown Steer to Glen Stone, and the Rate of Gain Trophy donated by Jim Hines to Jody Butz, whose calf gained 3.1 pounds per day. Robbie Butz' calf placed a close second, gaining 3 pounds per day. The Senior Public Speaking Trophy donated by Ben Timanson will be presented to Glen Stone, and Robbie Butz will receive the Junior Public Speaking Trophy, donated by John and Melie Maltais. The winner of the Achievement Award, donated by John Anderson, had not been decided at time of writing.

Congratulations to all nine members, parents and leaders of the Dewberry 4-H Beef Club, on your hard work and fine show.

The Club takes part in the 4-H Expo Show and Sale in Lloydminster on June 1 and 2.

TOP CALVES — (L-r) Erica Elliott, Russell Garnier, Allan Stone, Kevin Stone, Don Fluney, Gus Hodgson, Judge Dennis Wobeser, Glen Stone and

Hedley Dennills with Reserve Grand and Grand Champion Steers.

Dewberry News Roundup

By Cliff Cunningham
Dewberry Correspondent

The Dewberry and District ladies Birthday Club went to Vermilion for dinner at Aunt Mary's restaurant and then went shopping.

Don't forget the Dewberry Cemetery clean-up and annual meeting June 11th. Lunch will be served by C.W.L. Many hands makes light work.

Everything is nice and green after the blizzard on May 15th and another 8/10 of an inch of rain on May 22nd. It delayed planting the garden for a while as the ground was too wet. We need some warm weather now.

We went to the Pony Chariot and Chuckwagon Races at Vermilion May 24th. There was not many there. I hope more turned out the next day. On Sunday, Marge and I went to the Rodeo and Chuckwagon Races at Kehewin, north of Elk Point. I never seen many Dewberry people at either place. Some are still seeding grain and other field work, also working in the garden. Our weather was 84 degrees above F on May 20th and low for last week, 40 degrees above F with almost 1 inch of rain.

Congratulations goes out to Marge and Cliff Cunningham on their 50th wedding anniversary.

Exhibitat a weekend of excitement

Congratulations Miss Lakeland 1986

Exhibitat '86. It was three days of fun and frivolity, clowns and cotton candy, music and magic. It was thrills and spills on the midway, balloons for the kids, bright lights, flags and tinsle. It was St. Paul's answer to Expo. This year's annual exhibition and trade fair saw an increase in gate admissions and every visitor to the grounds over the three days certainly got their money's worth. A big advantage over past Exhibitat's was the dazzling array of entertainment. Peter Rolston kept kids of all ages 'rolling in the aisles' with his magic and ventriloquist act and Felix Possack provided a beautiful contrast with sparkling banjo solos. Add to that our very talented local performers and the stages at the fair hardly had time to cool off. In addition to the midway and the non-stop entertainment, local business people took a great deal of time and effort in setting-up booths and exhibits that gave a polish to the show. They promoted and displayed and showed just how much they support the community that supports them year-round. Sunday afternoon saw the third annual Exhibitat Pet Parade take to the grounds and everything from goats to rabbits came dressed in their very best. It seems the animals enjoyed the show just as much as their masters as the weather was perfect and the audience appreciative. One of the biggest and best attended events of the weekend was the grand finale of the Miss Lakeland Contest. The auditorium of the Rec. Centre was packed as the contest culminated with the crowning of Katherine Mistol to represent the Lakeland for the coming year. The ice cream was cool, the kobassa was hot and a glorious time was had by all who attended Exhibitat '86. It was hard work, it took time and it was exciting. It will take a lot to top this year's show but you can bet next year's event will be just as much fun.

Exhibitat committee extremely pleased with fair turnout

Exhibitat '86 in St. Paul, from all points of view, was a smash success. "The entertainment was great. The exhibitors were happy. Everyone through the gate had a good time and the executive committee is extremely pleased with the way things went," says Exhibitat Chairman Willie Silver. "All in all it was a super weekend."

A total of 82 businesses, 50 of those from St. Paul, joined the midway, the car and farm implement dealers, the farmers market and the local service clubs to provide the displays, exhibits and food booths that make up the heart of Exhibitat.

Booth prices for the show ranged from \$125 to \$350 depending on size and location and already most of the money has been collected.

"We have a few businesses to collect from yet," says Silver, "but not to worry. Obviously the exhibitors were quite pleased with the show."

Even though the final figures have yet to be tabulated, early indications show a slight increase over last year in paid admissions. Rough figures show nearly \$9,000 was taken at the gate.

"A quick count shows attendance up over previous years," says Silver. "It'll be a week before we have the final figures together regarding the amount of money taken in."

One of the real differences at this year's Exhibitat was the amount of entertainment provided for fair goers. A total of three stages were set-up in the Rec. Centre, the Polaris Arena and the Curling Rink and something was happening on at least one at all times.

Ventriloquist/magician, Peter Rolston headlined the entertainment with six shows daily and helped provide the perfect atmosphere for kids of all ages.

Musician Felix Possack kept toes tapping over the three days whenever he took to the stage. Both performers lent a real air of professionalism to the event.

In addition to the two hired performers, many of our talented local entertainers, such as Les Bles d'Or and the Ukrainian Desna Dancers, kept the Exhibitat crowds cheering for more.

Prior to the show, the Exhibitat Committee was concerned with the lack of enthusiasm shown by local businesses to this year's fair but the ones that did attend more than made up for the businessmen that "took the year off".

"I suppose we were disappointed that we had to rely on so many outside businesses to take booths," Silver says, "but all went well. We hope the ones that took the year off will be back next year."

Pathfinders, Guides, Brownies hold banquet

Elk Point Guides, Pathfinders, Brownies, their leaders and parents celebrated the end of another successful year with their annual windup banquet last week in the Community Services Centre.

The traditional Brownie opening ceremony was followed by the presentation of fat envelopes of badges earned during the year by Brown Owl Lynn Proski and year pins by Tawny Owl Adele Blize to the Brownies.

Feathers, enabling the four girls who have completed their years in Brownies to "fly up" to Guides, were presented to Krista Seward, Lindsay Liebrecht, Elaine Wannechko, and Hollie Blize.

Assistant Guide leader Marg Young presented badges to the Guides, and joined with Lynn Proski in presenting gifts to Pathfinders Tammy Boratynec and Barbara Naber, who have helped with Guides and Brownies all year.

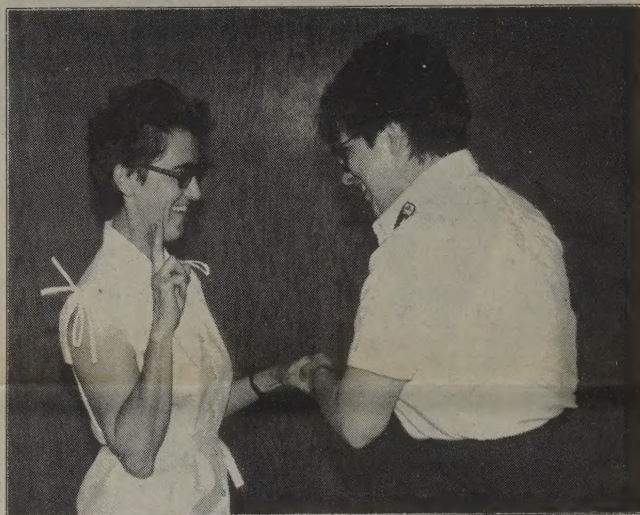

Guide leader Ellen Seward presented a parting gift to District

Commissioner Susan Cressey, who is moving to Ontario. Mrs. Cressey reminisced about her lengthy relationship with Guiding in Elk Point as District Commissioner, Programmer and "Guide Busybody", and commented that Elk Point is the only community in the Woodsmoke district which has had Guide programs continuously since 1929. She introduced Deputy Commissioner Carol Holmgren, who will be her successor as District Commissioner.

Mrs. Cressey called the leaders forward for the presentation of mementos "for bravery in snowstorms ... heatwaves ... and Summer Camp", and also presented a gift to Badge Secretary Joslien Wannechko for her efforts during the year.

The District Commissioner then awarded an honorary Guide membership to a very surprised Yours Truly, for helping with publicity and public relations for Guide events.

Linda Piotrowski presented pins and mugs to the two Pathfinders to conclude the evening.

GUIDE AT LAST — Even if it is 30 years later, your editor, Vicki Brooker, has become a Girl Guide. Susan Cressey presented the official pin and receives the official Guide salute and handshake. (I know, I know, that's supposed to be THREE fingers!) Thanks, Susan, for the great surprise! Now can I work on my Reporter badge??

PLAQUES PRESENTED — Plaques commemorating the 25th anniversary of the Elk Point Elks and OORP Lodges were presented by representatives of the Grand and Supreme Lodge. Grand Inner Guard Jack Blinston presents a plaque to ER Wayne Hanson, while HRL Erica Bender proudly displays the plaque presented by Supreme Loyal Lady Erlis Blinston.

25th anniversary for Elks and OORP Lodges

A quarter century of service to the community of Elk Point was celebrated by the Benevolent and Protective Order of Elks and the Order of the Royal Purple last Saturday evening, with many charter members, Past Exalted Rulers, Past Honored Royal Ladies and guests from other lodges in attendance.

The spacious Elks Hall was decorated with purple streamers, purple and white balloons and fragrant bouquets of lilacs for the occasion.

The celebration began with a fine banquet, catered by the ladies of the Armistice Community Club. PHRL Lena Stepa asked the pre-dinner blessing.

Exalted Ruler Wayne Hanson and Honored Royal Lady Erica Bender welcomed the lodge members and visitors to the celebration. Hanson noted that along with the many longtime members and Past Exalted Rulers present, the first Installing Officers were present. HRL Bender saluted the "courage of the first ladies and Elks" who had started the lodges and contributed to their growth with their work, friendship and activities. She commented that it was "nice to see some who don't come to meetings" and hoped that the event might encourage them to come back.

Distict Deputies Lady Berthe Lafrance and Bro. Albert Boratynec also welcomed the gathering, and congratulated the Lodges on their efforts for both the Orders and the community they serve.

PER Bill Schuhmacher gave the toast to the Grand Lodge, with Grand Inner Guard Jack Blinston replying that "the strong force of Elkdome is

you, the members."

PHRL Lois Sharek gave the toast to the Supreme Lodge, with Supreme Loyal Lady Erlis Blinston giving the reply and urging the ladies to continue laying the basis for our daughters and granddaughters to become members of this order."

Mayor Ed Buck, who noted that he was one of the original initiates of the Elks Lodge, welcomed all the visiting former members back to Elk Point and asked "What would this community do without the Elks and the OORP?"

Brother Bill Ference brought greetings and congratulations from the County of St. Paul and said he was looking forward to "attending the Lodges' 50th anniversary."

MLA John Drobot, also one of the charter members of the BPOE, congratulated the lodges and added thanks to the OORP "for letting the boys go out to these meetings."

Provincial Chaplain Bill Johnson presented plaques to ER Hanson and HRL Bender, along with wishes that "the next 25 years will be exciting and prosperous".

Supreme Loyal Lady Erlis Blinston brought greetings from Supreme Honored Royal Lady Galbraith and commented on the "young looking charter members". Lady Blinston said that the partnership between the Elks and Royal Purple is "like a marriage" with joint responsibilities and sharing work, love and achievements". She urged both lodges to continue to make their voices heard in the Supreme and Grand Lodges.

Grand Inner Guard Jack Blinston represented the Grand Lodge at the celebration and said it was "something else ... to see both lodges

celebrate their anniversary together". He said that Lodge members often sell themselves short on what they have done for their communities, and if the donations of time and money were added up "it would surprise even you". He concluded, "Be proud to be a part of this viable force in your community."

Brother Blinston and Lady Blinston presented plaques from the Grand and Supreme Lodges to ER Hanson and HRL Bender.

Two former District Deputies, Lady Vivian Garris and Lady Rita Hill, both of Viking, presented an anniversary gift to HRL Bender and reminisced on their many visits to Elk Point.

Congratulations were also offered by members of the Marwayne, Lloydminster and Viking BPOE Lodges.

Twenty five year pins were presented to the members of both lodges at the conclusion of the speeches.

The evening continued with a dance, which was punctuated by the traditional 11 o'clock service by the Elks and a very beautiful and touching candlelit 11 o'clock drill by the OORP.

Grace & Family

25 years of Elkdom

By Ron Barwick

As historian of the Elk Point Elks Lodge #460, it is right and fitting that on this date being the 25th anniversary of the founding of our Lodge, that I set down a brief history of a quarter of a century of achievement.

In May 1961, the inauguration of the Elk Point Lodge took place. 60 Charter members were inducted into the Order by members of the Marwayne Lodge. Also present were members from lodges in Edmonton, Edgerton, Derwent, Myrnam and Vermilion who came to welcome the new lodge and new members.

A book could be written on the "Rags to Riches" story of what at times seemed almost more than we could cope with. However the efforts and determination of many dedicated members plus strong leadership, has brought the organization to the top bracket.

Over the years members who have played a good part as leaders are as follows - PAST EXALTED RULERS, Elks Lodge No. 460: 1961 Fred Mulak, 1961-63 Henry Lorensen (*), 1963-64 Norman Robinson, 1964-65 Al Magill, 1965-67 Steve Ewoniak, 1967-68 Ed Pankiw, 1968-69 Bill Bepalko, 1969-70 Ed Gregoraschuk, 1970-71 Fred Kryvenchuk, 1971-72 Ken Palamerek, 1972-74 Axel Iverson, 1974-75 Elmer Bjornstad (*), 1975-77 Bill Pacholek, 1977-79 George Dikeman (*), 1979-81 Gary Young, 1981-83 Albert Boratynec (*), 1983-85 Bill Schuhmacher, 1985-87 Wayne Hanson. (*) Indicates District Deputy Gr. Exalted Rulers.

The most momentous occasion was when the Lodge decided to "Go for Broke" and in spite of the fact we only had slightly over \$3000.00 in the building fund, a start was made, loans were secured, many members made substantial personal gifts of money, and countless hours of volunteer labour finally saw the first part of a dream come true. It was not the best, but it had four walls and a roof, and it was OURS.

Now it is one of the finest recreation centres in Northern Alberta. The present value presents a value of 360

thousand dollars. A unique building where on several occasions three events have been in progress at the same time.

It is only fitting that I say that the Sister organization of the Order of the Royal Purple played a strong supporting role in the affairs of the hall and its operation. (Thanks Girls). Without their tireless efforts we would never have made it.

Our sincere thanks go out to the Town of Elk Point, the people of the town and surrounding area for the support they have given us in the way of hall rentals and attendance at bingos. This is a wonderful community and we are thankful and happy to be of service to the community.

Following is a list of what we have been able to offer in the way of support to the many and varied organizations, clubs and individuals. Elks Lodge Donations - Year of 1985 - total \$11,954.47.

Youth and Sports - \$4964.47 - Including Christmas Kiddies Day Show, Skate-A-Thon, Minor Hockey, Curling Club, Ringette Club, Beaver Ball Club, Elk Point Ag. Society, Girls Softball, Boys Hardball, Cubs, Scouts, Brownies, Guides, Pathfinders, Kuziw Memorial Fund, 4-H Club.

School Projects - \$3350.00 - Including donations to Student's Awards, Elementary School, Ski Fund, Library Fund, Music Program, Drama Program, Bus Fund, Sports Program, Leadership Program, Hot Food Program, Language Arts Option.

Other Local Donations: \$1395.00 - including donations to Senior Citizens Sports & Recreational Association, Fire Disaster, Elk Point Library, medical aids.

Provincial & National Donations - \$2245.00 - including donations to Telerama, Steve Fonyo, Cancer Fund, Alberta Elks Association, Variety Club, Ronald McDonald House, Elks Purple Cross Fund, Red Cross.

This report of donations was compiled and submitted by the Elks secretary Bro. Elmer Bjornstad.

CHARTER MEMBERS — Of the Elk Point BPOE who have been members continuously since 1961, received 25-year pins from ER Wayne Hanson (fifth from left). Receiving pins were (l-r) Elmer Bjornstad,

Ed Gregoraschuk, Bill Tokar, Phil Sheplawy, Ron Barwick, Jack Zarowny, Nick Bochon, Henry Lorensen and Fred Kryvenchuk.

ANNIVERSARY CAKE — Complete with golden Elk statuette and Elks and OORP emblems is cut by HRL Bender and ER Hanson.
